4. INT: A LARGE MEETING HALL.
24 wooden chairs equip the 12-meter long wooden table stands at the centre of the large hall. Inside the hall, Top Military personnel awaits impatiently the Arrival of ADOLF HITLER and his deputy RUDOLF HESS. Suddenly a large salute reverberates inside the hall. HEIL HITLER

Shift the camera toward the main doors to the hall.

5. HITLER and HESS enters the hall.
Hitler with his moustache and fragile figure, looks more like a comic character, than a military leader. Hess, with his dark bushy eyebrows, could replace and put the Max Brothers out of business, and start his own cinema.
