

THE REASONS FOR THE ATTACKS BY MR MYRON EVANS AGAINST PROF FRANCESCO FUCILLA

Dear Readers

THE REASONS FOR THE ATTACKS BY MYRON EVANS AGAINST FRANCESCO FUCILLA, can be found in Myron Evans Dismissal from Steriwave Plc and the Telesio Galilei Academy of Science in 2009.

The attacks on Steriwave, Francesco Fucilla and Family started in 2009 soon after I proposed the appointment of Prof Rodrigues JR (The man that proved beyond doubts that Myron Evans kindergarten physics and mathematics was completely wrong) to the Chairmanship of Telesio Galilei Academy and Steriwave.

Prof Waldyr Alves Rodrigues JR, is a world leading Mathematician and Physicists, whose work has ridiculed the work of Mr Evans and the Alpha Institute of Advanced Studies of Mr Evans. See the case history documented and click on this link.

I appointed Prof Rodrigues to replace Mr Evans, when in 2010 I personally got to realise that Mr Evans and the Alpha Institute of Kindergarten Studies were all incompetent physicists and mathematicians, exactly as stated by Prof Rodrigues Mignani, and many other leading scientists, that laugh at the nonsense he and his aias members publish daily.

I must say, that I never entered into the merits of his Evans and AIAS work and accepted their effort towards science alongside the rest of the work published by the scientific community. To me AIAS was working in the betterment of science, hence I gave AIAS all the support I could.

I took little notice of what others were saying about Evans and AIAS, and consequently I found myself in deep trouble.

Going back to the story, Sometime in October 2008 Mr Evans, proposed to create a new cosmology and without entering into the full merits and validity of such a proposal, for I was engaged in running the companies that I serve, I went along with it. (SEE EVANS EMAIL.....NAMED..... "NEW COSMOLOGY ")

The confirmation as to the nonsense being proliferated by mr evans and aias came to me when in 2009 I received technical data prepared by AIAS concerning the new MODEL OF THE UNIVERSE!! Among the pile of nonsense received by AIAS for publication, were animations of the birth of the universe!!! The animations showed that the structures of spiral galaxies could be explained by way of showing that matter from the centre of the spiral galaxiesinjected outward would create the spiral shape due to Mr Evans torsion!!!

In fact, one may propose that when Mr Evans and Mr Eckardt flush their toilets, all of the contents of their toilets, spirals outwards from the toilets and into the centre of their bathrooms forming a miniature spiral galaxy of cathartic waste!!

Please contact me on 07894262399 for a clear interpretation of all known cosmological models, and discover the limitations provided so far by present and past cosmologists and philosophers.

Going back to Mr Evans and AIAS, In 2009 I proposed to appoint Prof Rodrigues as Co-chairman of Telesio Galilei in order to partially repair the damage inflicted upon the Telesio Galilei Academy by the association to AIAS.

The idea was to remove Mr Evans slowly, to finally demote him to just Full Member status.

Mr Evans responded violently to my proposal, by attacking Steriwave Plc and not Prof Rodrigues for he had no defence against the accusations made by Rodrigues for Rodrigues is a GURU in mathematics and Physics, in fact one of the leading scientists of our times!!

Finally Evans showed to be totally unwell when instead of attacking Rodrigues and TGA, he attacked the very company that was feeding him, STERIWAVE PLC IN ORDER TO DETER PROF RODRIGUES JR TO JOIN TGA AND STERIWAVE..... BY alleging THAT THE SHAREHOLDERS SHOULD NOT INVEST IN STERIWAVE PLC, that Steriwave was a Fraud, that I and my Children were fraudsters, (Whilst telling the shareholders at the same time, that he was the Chairman of Steriwave and that he would never resign from Steriwave THAT HE LOVED STERIWAVE AND THAT I WAS TO BE DISMISSED FROM STERIWAVE BECAUSE I WAS NOT FIT TO RUN IT, AND THAT HE SHOULD BE RUNNING STERIWAVE INVERSELY PROPORTIONAL TO THE SLANDERING HE WAS MAKING AGAINST STERIWAVE, BY CALLING FOR SHAREHOLDERS NOT TO INVEST IN STERIWAVE FOR IT WAS ALL A FRAUDULENT SETUP)!!!

I later discovered that Mr Evans was an invalid, suffering from Mental illness, and tried to help him in any way I could.

FINALLY,

I ask of you;

"How can such an illogical, incoherent, confused mind, provide the world with a new Cosmology!? Indeed A UNIFIED FIELD THEORY!?"
