

About Mr Myron Evans. Deliberated criminal campaign against Francesco Fucilla, his Family, Fellow Directors, Friends and Shareholders

STATEMENT BY FRANCESCO FUCILLA

Dear Readers

Here are the proofs as to the motivations behind Myron Evans attacks to my Family, Fellow Directors and Companies etc. Clearly one can see from this published data (now available on my website), that the motivations for these now 3 year old attacks, are the result of a vendetta against me and Waldyr Rodrigues, and everyone associated with us.

The attacks were triggered when in 2009 we dismissed Mr Evans from Steriwave, Global energy and the Telesio Galilei Academy. Contrary to Mr Evans false allegations of misrepresentation against me the 2 offer documents related to the said misrepresentation to shareholders and the public at large shows that again this new attempt to disrupt and damage my family and companies is malicious and premeditated..... For Mr Evans is aware of the truth..... and aware that he is spreading lies.

Please click on these 2 links (the 2 offer documents in question) to certify the premeditated malicious attempt to cause damages to my Family, Fellow Directors, Shareholders, and Companies. YOU WILL CLEARLY SEE THAT AT NO TIME DID I MISLEAD ANYONE; THESE ARE THE OFFICIAL DOCUMENTS GIVEN TO THE PUBLIC. THESE DOCUMENTS HAVE BEEN ON DISPLAY ON OUR COMPANIES WEBSITES FOR ALL TO SEE FROM DAY 1.

AFTER MR OWEN WROTE TO MR EVANS.....I DID NOT COMMUNICATE WITH MR EVANS AS I HAD AGREED To!!

INDEED I REMOVED MY DEFENCE AGAINST HIS FALSE CRIMINAL ATTACKS, FROM MY WEBSITE..... HOPING THAT MR EVANS WOULD STOP THE CRIMINAL CAMPAIGN TO DESTROY MY LIFE AND THE LIFE OF OTHERS motivated by jealousy, envy, revenge for having failed to obtain money by extortion and for failing to rid of Waldyr Rodrigues from TGA.

Mr Evans unfortunately is an invalid, suffering from mental illness (PLEASE READ THE DATA I HAVE MADE AVAILABLE TO THE PUBLIC)

Indeed, in order to establish absolute clarity that the floatation was on the technological merits rather than my life accomplishments as a teacher of teachers/professors..... I kept my CV for the public to a minimum.

Evans is unwell and in a state of "Schitzo IDENTBOLISM" and blows irrelevant nonsense from his smelly hydrogen sulphide upper anal cavity, with intent to disrupt my life, my family life, and everyone associated with me. Indeed to cause stress and financial damages!! He has damaged my family and companies severely since 2009 and he still continues to inflict damages. The more I tell him to stop, the more he attacks!! I AM COMPELLED TO DEFEND MY FAMILY COMPANIES, PARTNERS AND FELLOW SHAREHOLDERS BY PUBLISHING DOCUMENTARY EVIDENCE AS TO THE TRUTH!!!

Please see the story on.....

http://www.francesco-fucilla-satires.com/FFSatires_05-08-12/Satires.html

In order to clarify the latest attacks by Mr Evans.....I have placed online my full Story as Prof to Professors in order that companies' house, the pope and the martians can verify my entire story!!! NOT A SINGLE LIE HAS BEEN PUBLISHED BY ME TO DECEIVE OR MISLEAD ANYONE!!

At no time did I state that I gave courses to students other than stating and certifying with documentary evidence that I gave courses to Teachers and Professors of Physics, Chemistry, Geoscience etc etc in Applied Geophysics THAT IS THAT!! ALL TRUE..... ALL DOCUMENTED!!!!

I never mislead the public or anyone and I invite ANYONE TO PROVE OTHERWISE!!

BUT MR EVANS IS AWARE..... OF these FACTS..... for He was a Director of Steriwave and Telesio Galilei Academy and had my full pedigree from day 1!!
