DECLARATION TO COMPANIES HOUSE, SHAREHOLDERS AND THE PUBLIC AT LARGE

=====

Dear Readers

Following criminal attacks to my family, associates and companies I serve,
concerning Francesco Fucilla's CV.....For Absolute Clarity.....
ONCE AGAIN.....I WISH TO MAKE THE FOLLOWING STATEMENT:

Please note that Francesco Fucilla's Honorary Professorship was as a result of lecturing and giving courses to Professors of Physics, Geology, Chemistry, Mathematics and so on, in Applied Geophysics. In addition, Francesco Fucilla's Honorary Professorship was given in quantum merits, by non listed institutes, such as: IBR, LIUM University, Noetic Advanced Studies Institute, IFM and so on.

Francesco Fucilla has never claimed to have given courses to students in government listed institutes or universities nor has had a government post as Professor in the said. However Francesco Fucilla has lectured in Government institutes as a freelance Professor, giving courses only to Post Graduates, Teachers, and Professors.
